SUBSTITUTION: Anyone unable to play must contact their skip before arranging for a substitute. An attempt should be made to use substitutes of the same club rating. If one member (other than the skip) of a team is absent, the substitute may play in the most suitable position, but no demotions to regular team members will be made. If the skip is absent, any permanent member of the team must skip. If two substitutes are required, one must play in the lead position, unless the lead is a green, in which case the substitute may play in the second position. If the skip and third are unable to play, a substitute club-rated third may skip the rink, the permanent second moves to the third position, and the second substitute plays in the second position. The permanent lead plays the lead position. The same substitute may be used twice in the competition, including the final.
