## What Are the Program's Goals?

The following goals have been set for the 2007–2008 Junior Curling season:

- Provide a weekly instructional program for curlers ages 7 to 17
- Provide opportunities for recreational curlers to taste competitive play through Interclub play, Jeux de Québec regionals and bonspiels
- Provide a competitive training schedule for older elite Juniors to prepare them to participate in the regionals for the Under-20 Provincial Championships
- Actively involve parents of Junior curlers in all aspects of the Junior Curling Program, including coaching, administrative roles (registration, publicity, website), fundraising and hosting
- Provide technical training to Junior coaches in order to ensure a consistent and comprehensive program for the participants
- Encourage feedback from curlers and parents in order to improve the program

## Weekly Sessions (October 13 to April 13)

Each week's session will be broken down into two 90-minute sessions, with the Little Rocks curlers and newer Big Rocks curlers in the first session, and the experienced Big Rocks curlers in the second session.

There could be some movement between groups, depending on space and levels of ability. Curlers should arrive on time for their session with **CLEAN** running shoes (or curling shoes). Shoes must **NOT** be worn in from the street. Sliders and brushes will be provided.

Each 90-minute session will include warm-up exercises, practice slides, review of the previous lesson, introduction of a new skill, practice drills and a mini-game (when possible).

## What's New?

This year, we have **one more week** for a total of 21 weekly sessions, including a **Fun Bonspiel** for all of our Juniors at the end of the season.

As well, the registration fee this year will include a long-sleeved playing shirt. Don't forget to indicate your child's size on the registration form. The Curling Québec fee includes a subscription to curlquebec.tv. Stay tuned!

## Interclub Competition *(included in fees)*

There will be an Interclub league this season, and both Big Rocks and Little Rocks teams will be formed during the year to play in these once- or twice-monthly games. The idea is to involve as many different curlers as possible in this additional program. A schedule of these matches will be provided as soon as it becomes available. For those dates when we will be hosting these games, parents are encouraged to lend a hand with the post-game snacks.

## Other Competition

In addition to the above Interclub league, Pointe Claire will participate in the annual Tim Caverly Bonspiel at Christmas on December 27, 28 and 29, once again providing ice time on these three days. (As we did last year, we will be running the "Café Lanthier Junior" canteen during the event to raise funds, and parents are encouraged to get involved.) As well, there will be occasions to participate in other bonspiels during the season. (Although the fees will cover some of these events, there may be some additional costs to cover entry fees for special events.) Details will be provided as they become available.

## Pointe Claire Curling Club – Junior Curling Program Overview 2007–2008

### Québec Games *(included in fees)*

Although 2007–2008 is not a Jeux du Québec/Québec Games year, we will be entering both boys and girls Under-15s teams in the Lac St-Louis Regional competition. The regional matches will take place in January and our participation this year will allow us to compete at the playdowns for the next Québec Games.

### Kids vs Parents and Pot Luck Suppers

As is our tradition with the Junior Curling program, we will hold two “Kids vs Parents” game days followed by a Pot Luck Supper upstairs in the club dining room. This year, due to the club commitments, the first one will be held on **Sunday, December 2** and second will be on the last curling day in the spring, **Sunday, April 13**. You will each be asked to bring one food item (salad, main course or dessert). Sign-up sheets will be available one month ahead of time.

### Used Equipment

Joanne Stanton will be coordinating the sale and exchange of used equipment, such as curling shoes, clothes, brooms, etc. If you are looking to buy or sell, get in touch with Joanne and she'll try to put you in touch with someone who could help you. She can be reached at (514) 694-3405 or by email at [stantons@total.net](mailto:stantons@total.net).

### New Curlers

The Junior Curling program has a capacity of about 50 young curlers, so if you know of some friends of your child who would like to join, please have them sign up as soon as possible so as not to be disappointed.

### Coaches

We welcome your interest in coaching. Our coaches participate in Curling Québec professional development. All of our coaches are volunteers and have undergone police background checks.

Guy Hamilton	Jim Kyle
John Race	Rick Stanton

### Evaluations

Curlers will be evaluated at the start and the end of the season in order to measure their progress.

### Volunteer Involvement – We Need Your Help!

Parents will be asked to participate in different aspects of the program this season, whether on the ice or behind the glass. Parents will be needed to lead/coach teams at Interclub and other matches, to help with the organization of the Christmas and end-of-season parties, telephone calling, fundraising and hosting the Tim Caverly Bonspiel at Christmas. Any parents interested in becoming a coach should let us know.

We encourage you to come forward and let us know of your interest and particular skills. Speak to Jo Mallette in the lounge during Junior curling sessions about volunteering your skills or if you have any questions. She'll gladly help you out.
